Parish Union of the Diocese of Mangalore - Recommended.

In G.O.No. Mis. 2535 Revenue dated 5th July 1918, S. Nos.120/2A, 2B, 2C, and 2E of Madukody village were alienated in favour of the Roman Catholic Mission of Mangalore for purposes of a school garden, a chapel and a cemetery. The mission work did not flourish here and so the Church and school were never built and after thirteen years the lands were resumed in G.O. No.259 Mis. Revenue dated 2nd February 1932. The Lord Bishop of Mangalore represented to me that the scheme in 1918 was that some of the land should be held free of assessment for public purposes; while the remainder was taken for residential purposes under ordinary assessment. The resumption of the central block spoils the boundaries of the rest of the block. As I advised him, he has now applied for the assignment of these plots in the name of the Parish Union of the Diocese of Mangalore.

2. The plots measure 1.93 acres in all and are reported to be Government waste lands beyond the kumki limits of any kadim holding. They are surrounded on all sides except on the south-eastern side by S.No.120/1--the land assigned to the Roman Catholic Mission for residential purposes, Government having permitted its assignment in G.O.No.Mis.3534 Revenue dated 29th October 1918 communicated in Board's Proceedings 1476, Mis. Land Revenue dated 4th November 1918. S.No.120/2D which was alienated in favour of the Roman Catholic Mission and which contains the Chapel building touches the plot on the

north-eastern side. S.No.120/1 is reported to have been enclosed by a mudwall as shown in the eye-sketch. The mud-wall touching S.Nos. 120/2E, 2B and 2C which was demolished owing to the resumption of these plots is reported to have since been renewed. In these circumstances I see no object in keeping these plots vacant. Applications from other ryots for their assignment are not likely to come as they are practically surrounded by the mission land. The plots are also reported to contain tree-growth conserved by the authorities of the Parish Union. I, therefore, recommend that the Government may be moved to permit the assignment of the plots to the Parish Union of the Diocese of Mangalore. There is no other contending claimant.

3. The Parish Union owns 4.17 acres of dry land in the village of Mudikody, the market value of which is estimated at Rs.300/-. In this district, it owns 129.06 acres of land valued approximately at Rs.7366/-.

4. Eye-sketch in duplicate is enclosed.
